

Sober Rabbit in

FAREWELL PARTY

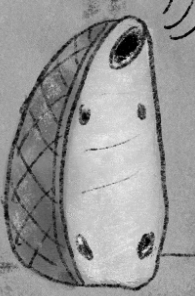

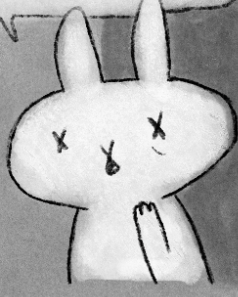

by Whitney Wasson

ARKANSAS, 2005: Rabbit (17) worries about college; Turtle (18) is moving to Portland. Tonight's going away party is their last hurrah...

UMM, WHAT'LL HAPPEN WITH US WHEN YOU'RE GONE? WILL WE STILL—

HAHA—JERK!!

LATER

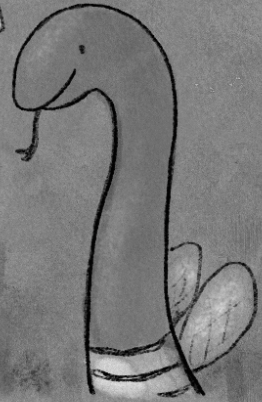

Possum only invited a few—

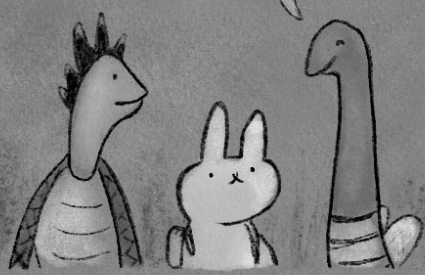

Hey guys! Wait up!

Hey! ♡

This slinky fabric makes it hard to slither fast. Plus, creepy walk, huh?

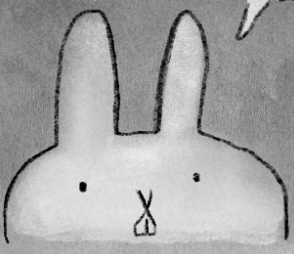

I hope it's a chill night. I work early!

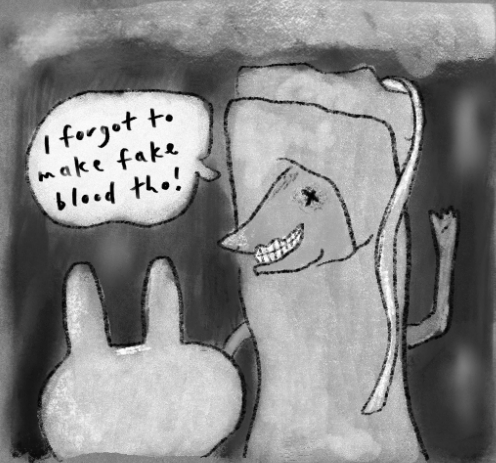

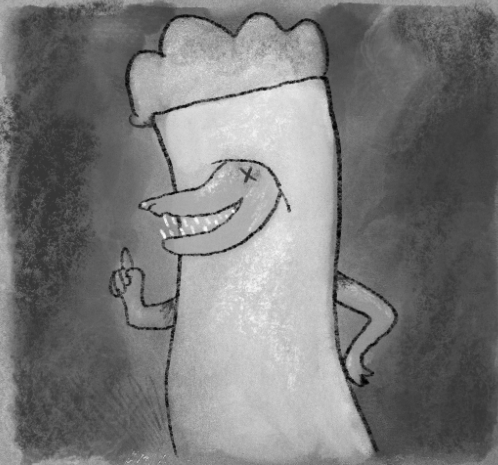

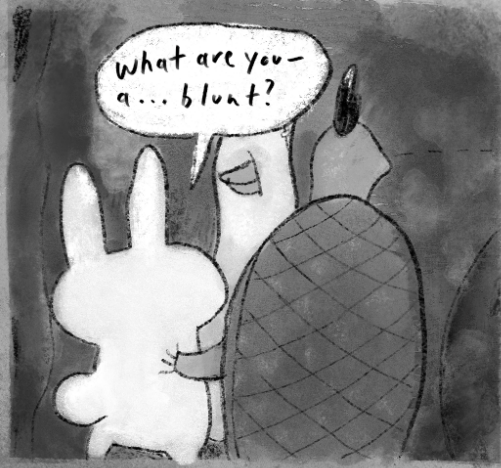

I was tellin' Rabs— if it's lame, we'll just bail early.

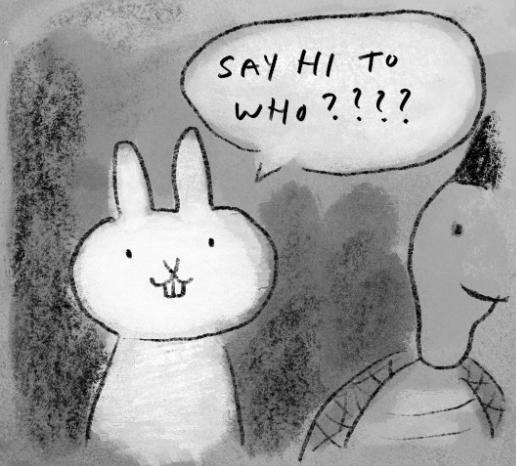

Possum said the guest list was "intimate"?

Oh, that's - somebody's cousin. Can't remember her name. She's only here for the weekend - such a babe! Go say hi!

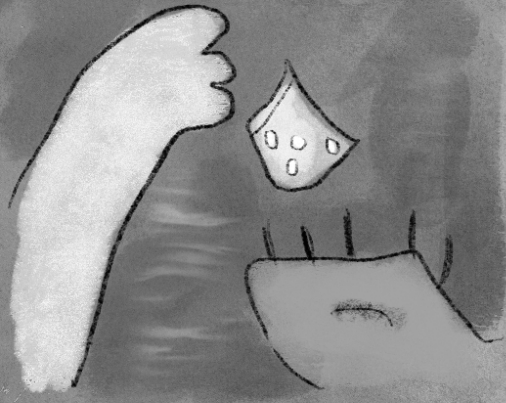

SAY HI TO WHO????

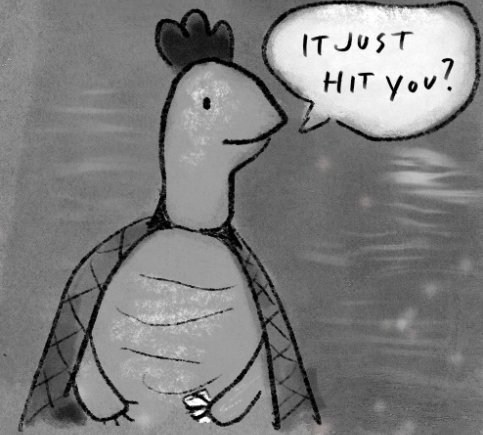

Oh uh hey hey Rabs!

Hey Turtle - hold these so I don't lose 'em

OFF TO GO FIND ME SOME SHO-OTS!

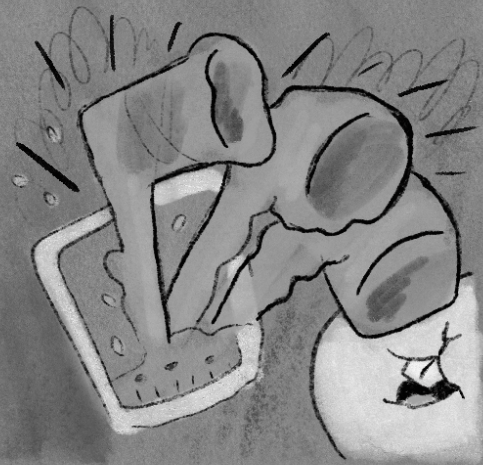

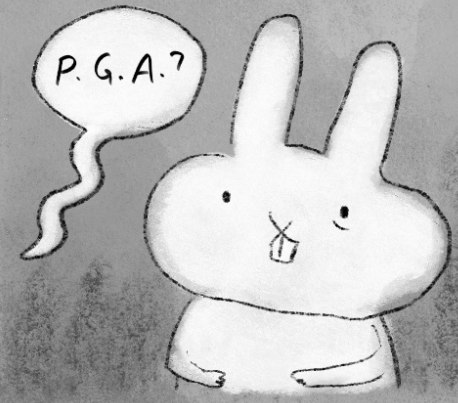

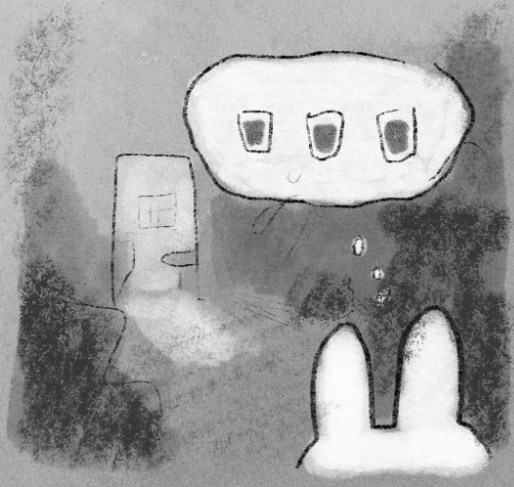

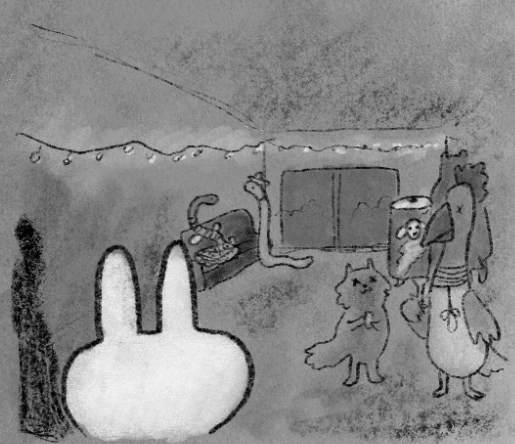

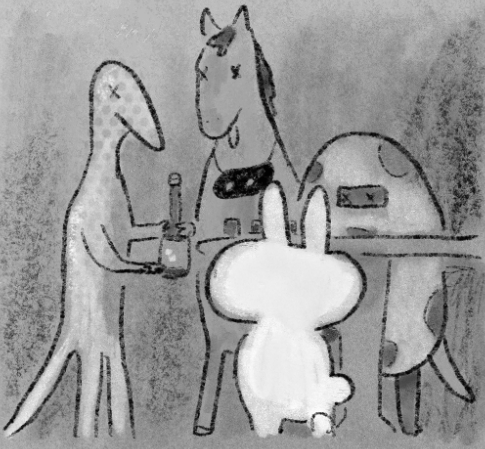

IT JUST HIT YOU?

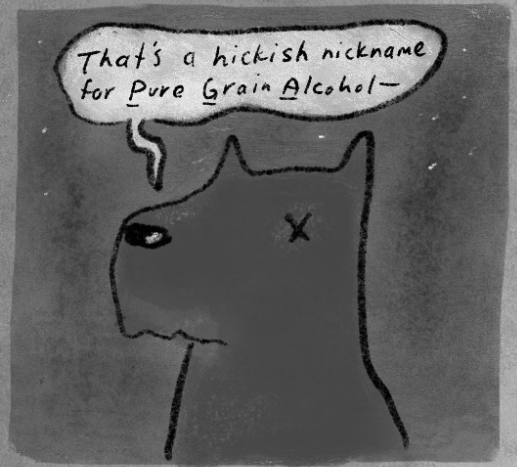

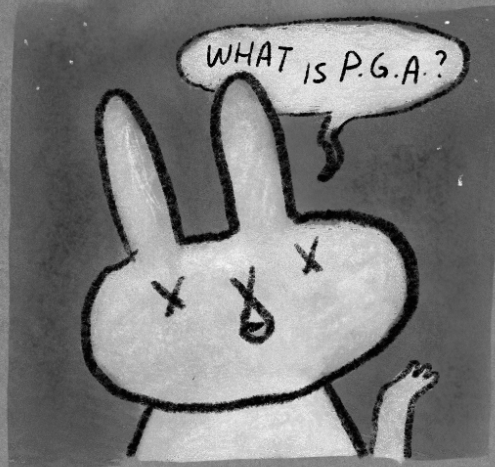

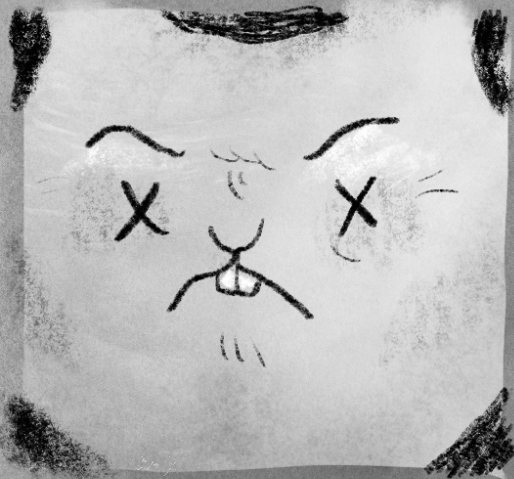

I'm gonna miss youuu!

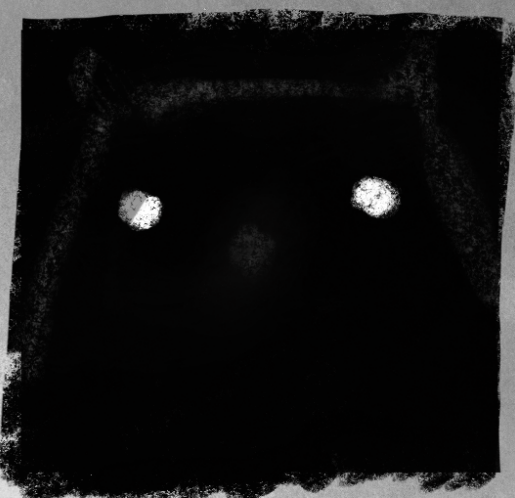

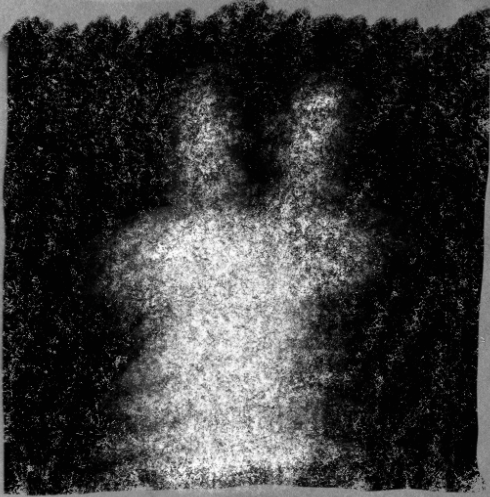

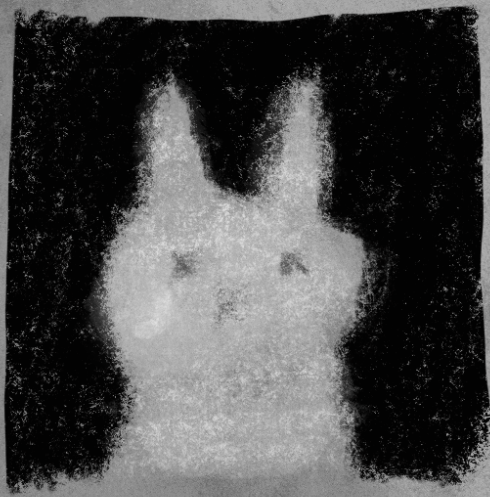

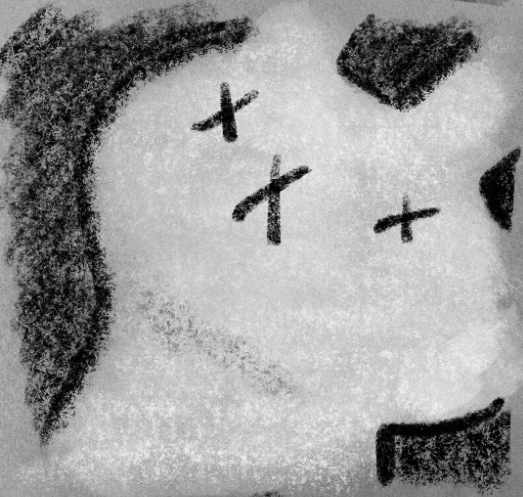

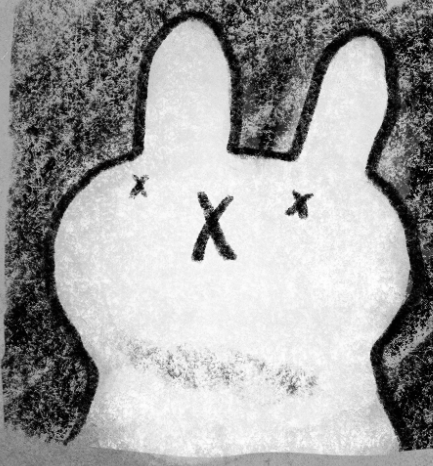

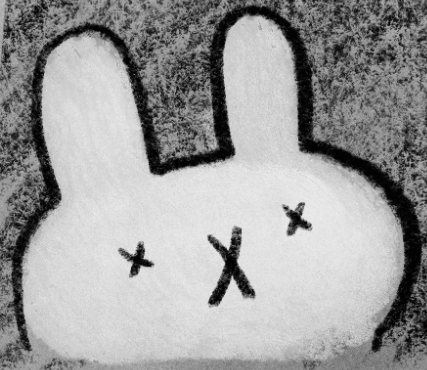

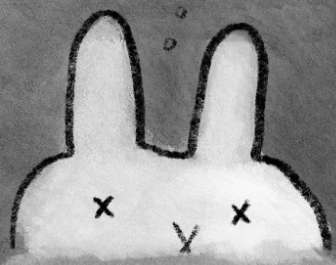

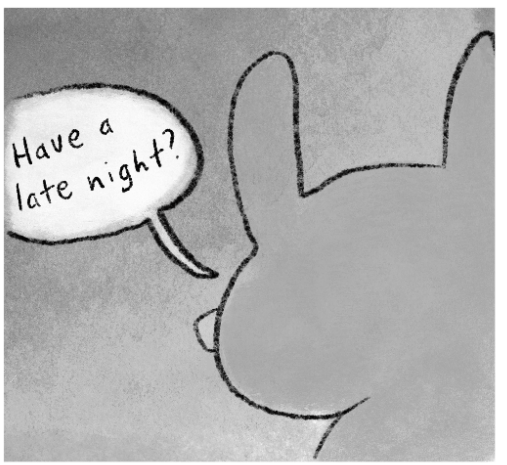

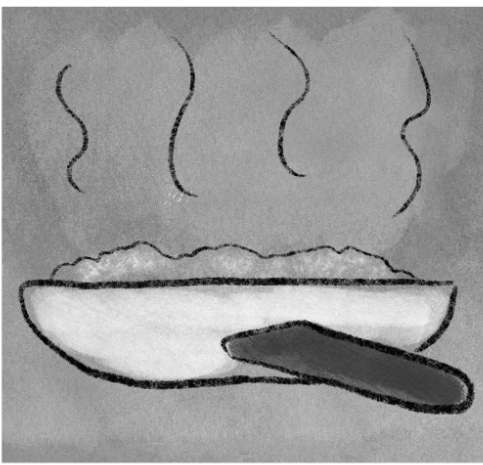

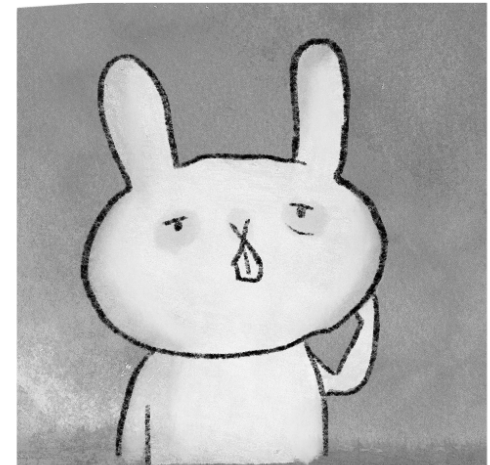

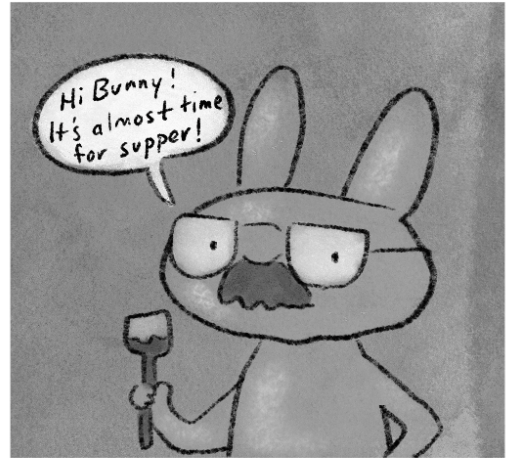

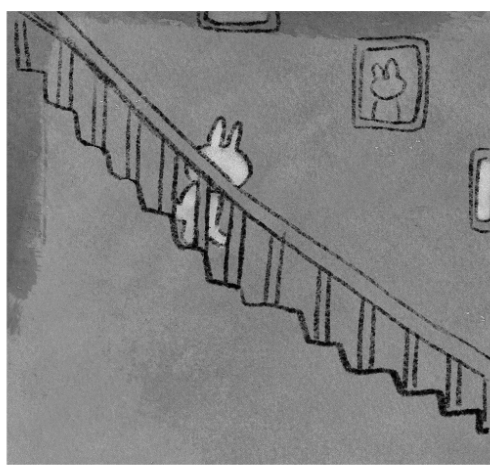

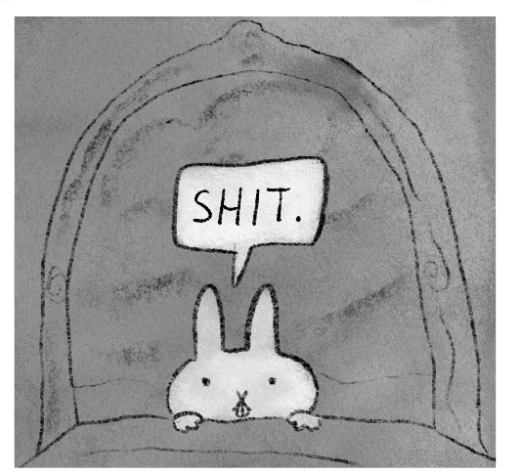

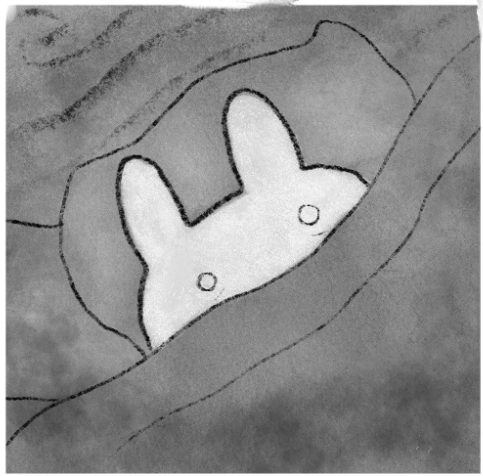

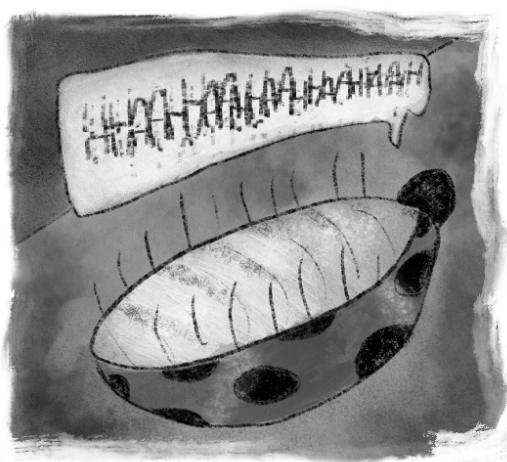

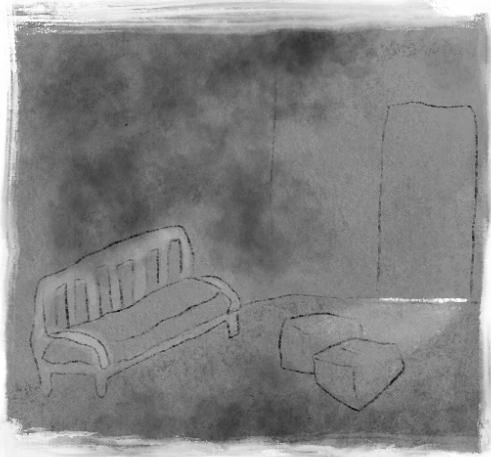

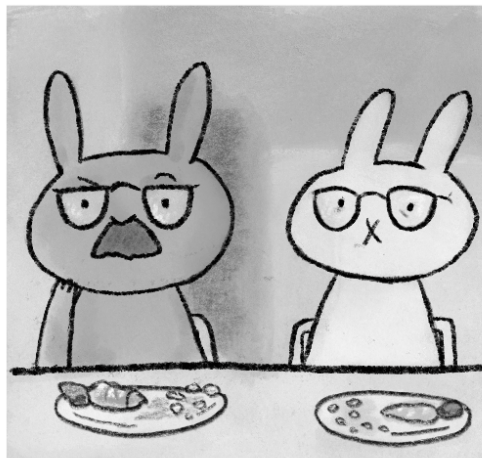

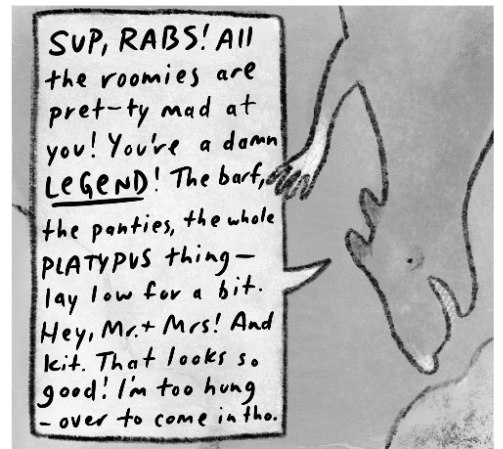

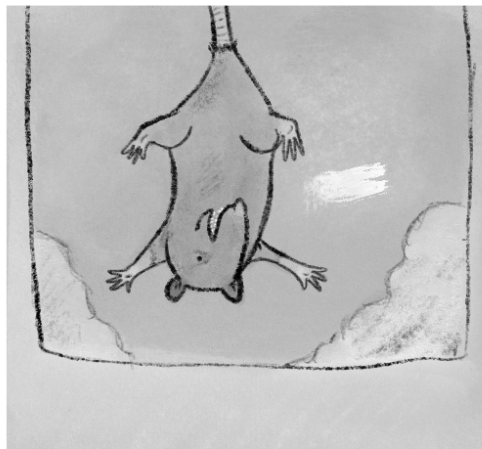

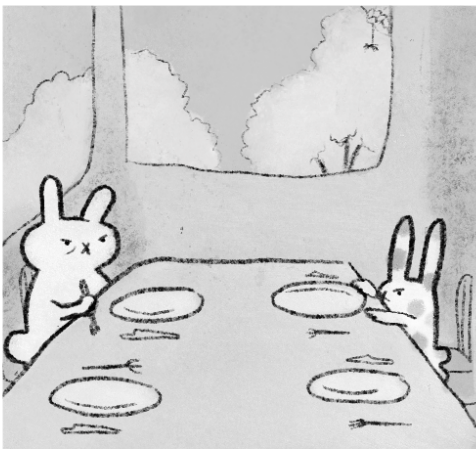

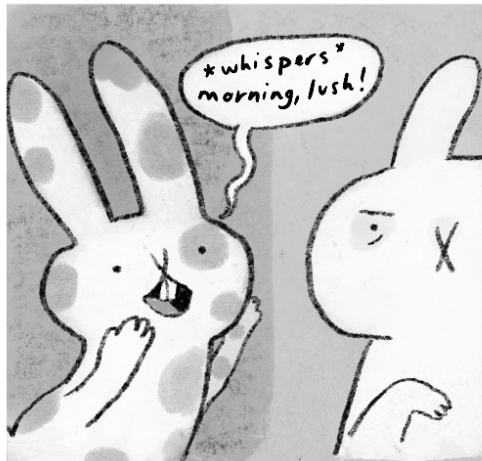

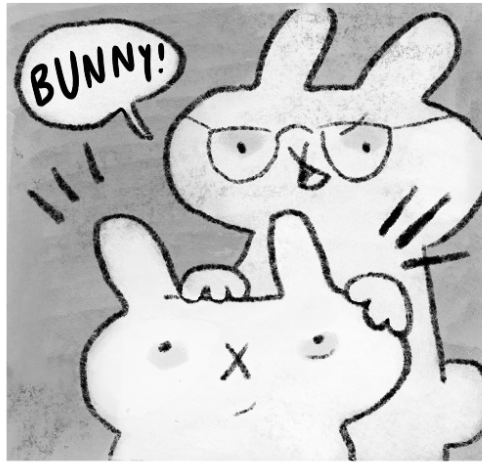

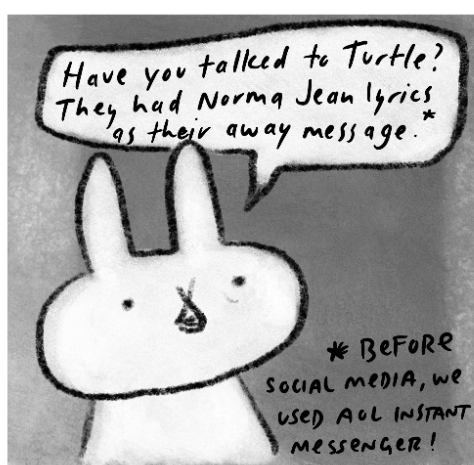

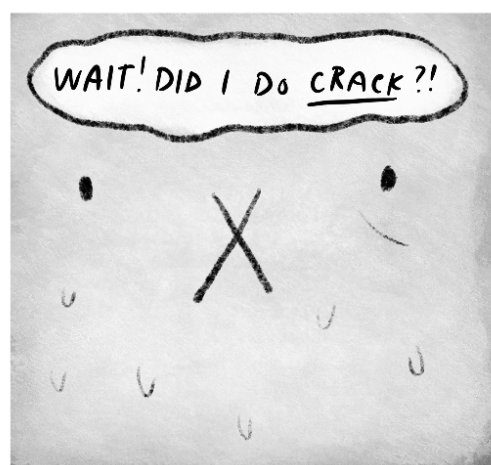

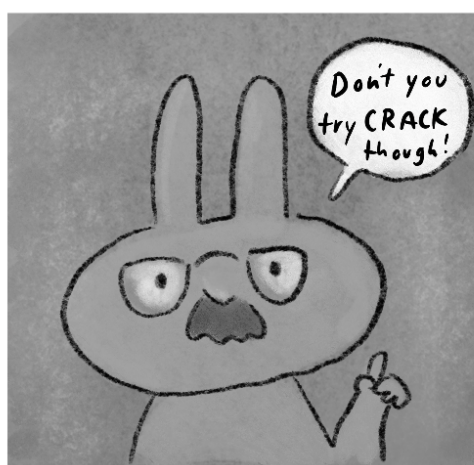

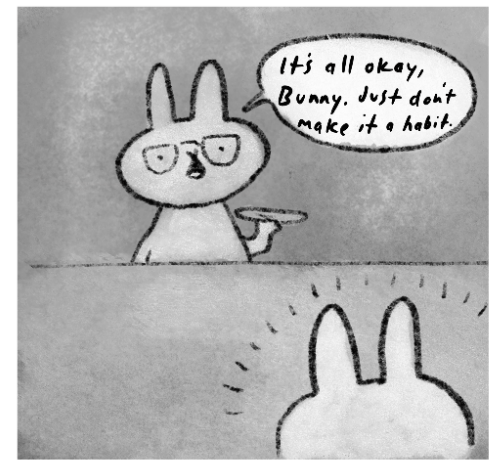

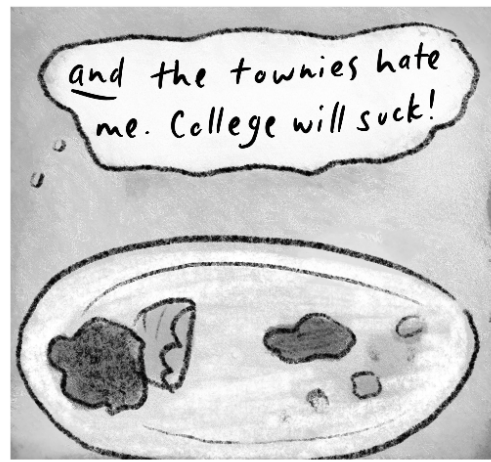

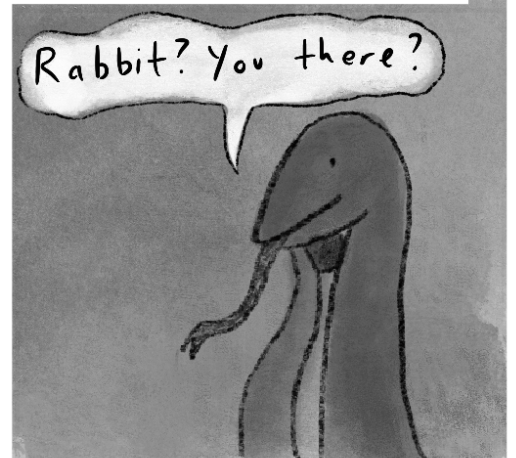

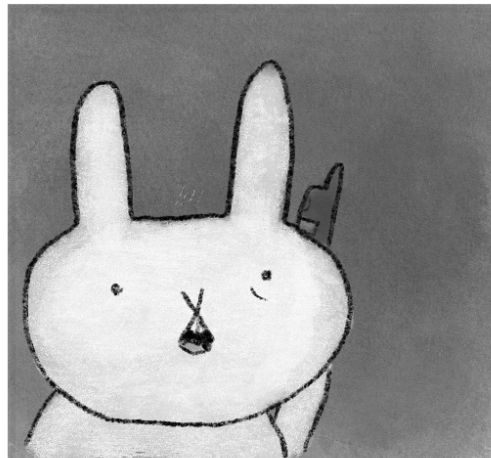

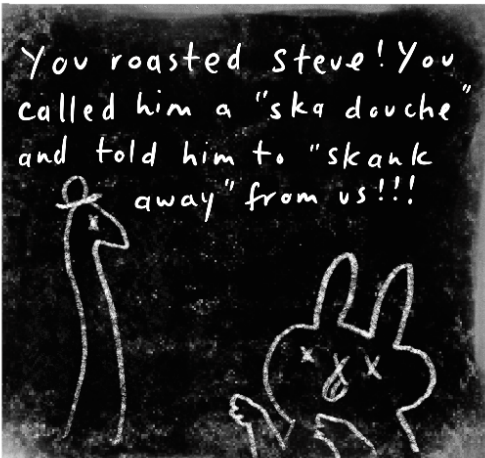

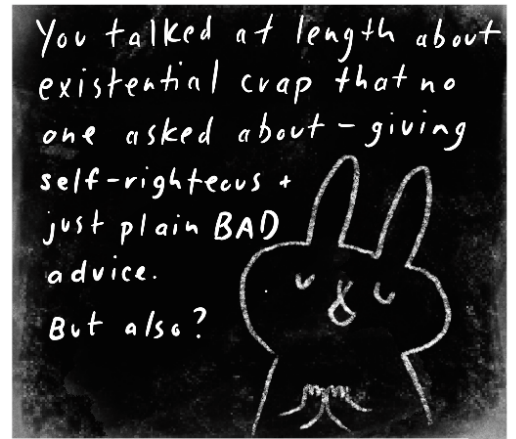

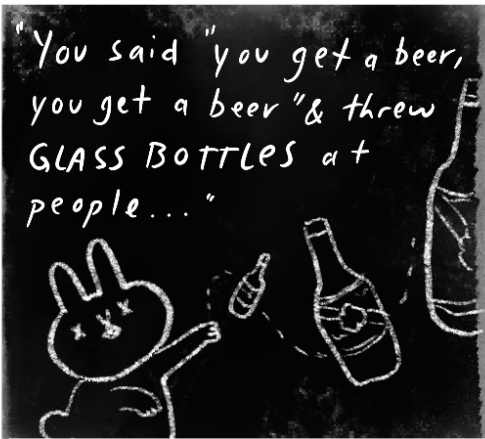

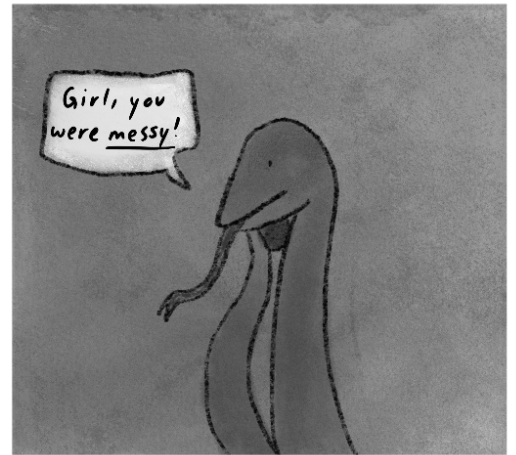

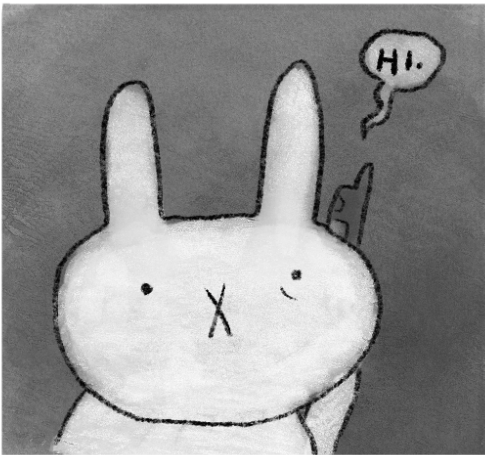

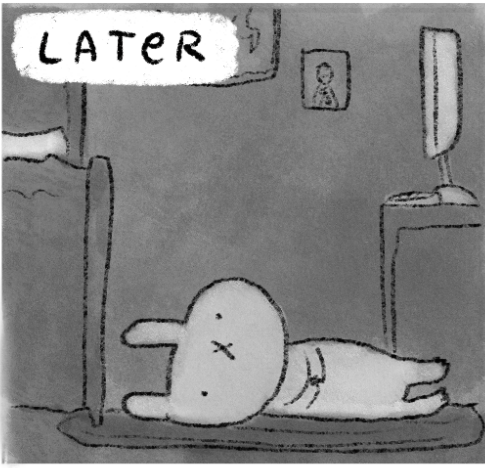

WAIT, WHAT WAS I GONNA DO???

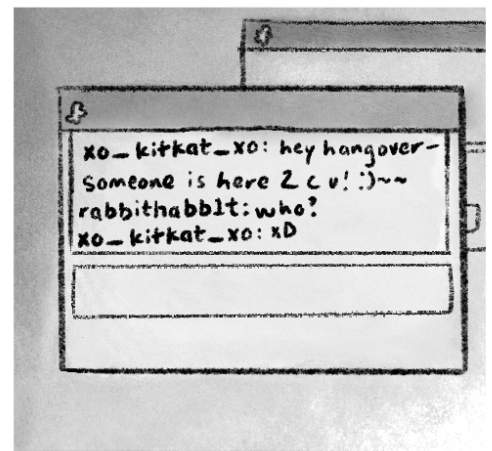

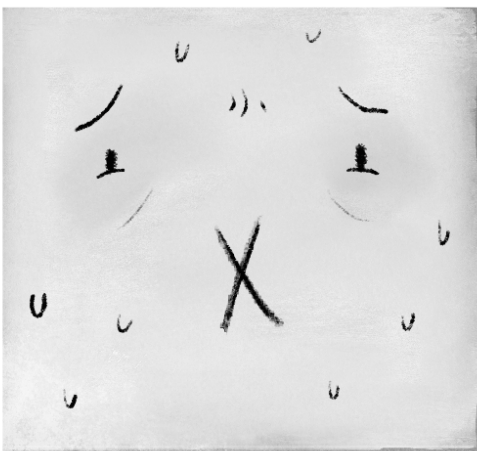

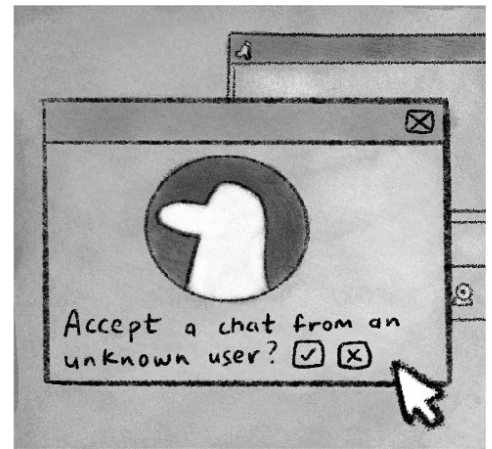

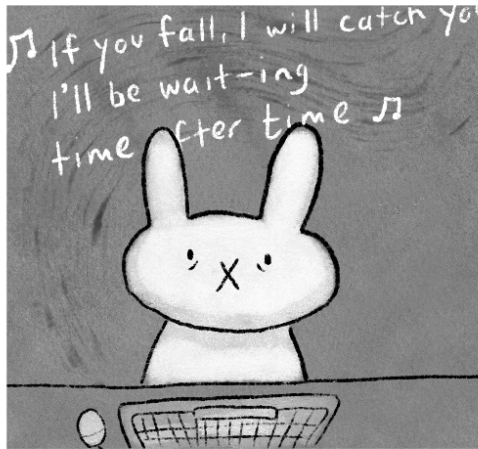

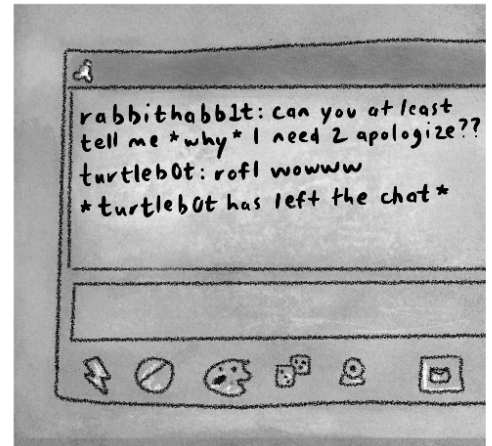

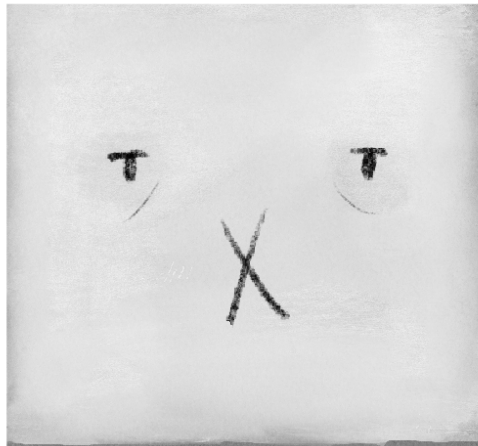

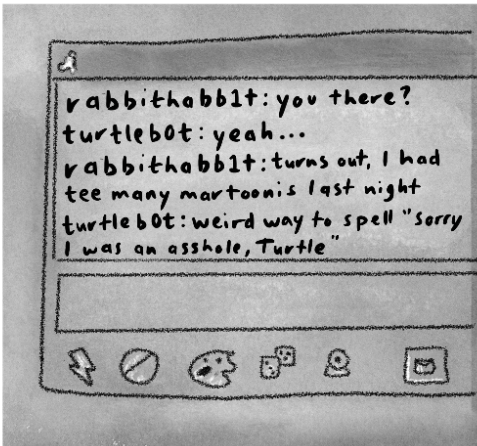

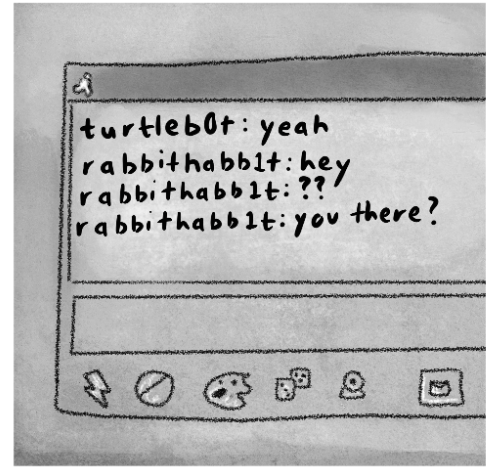

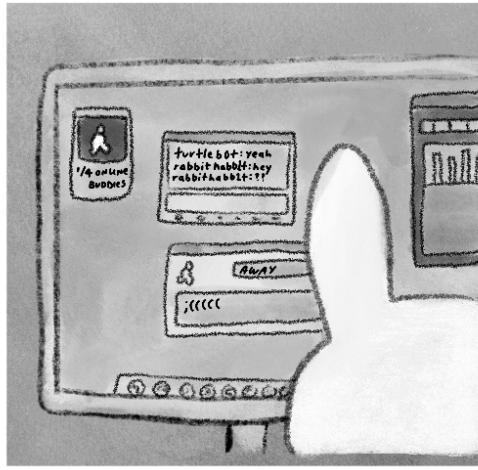

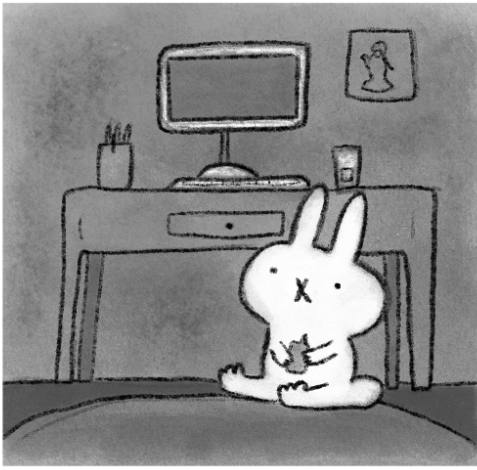

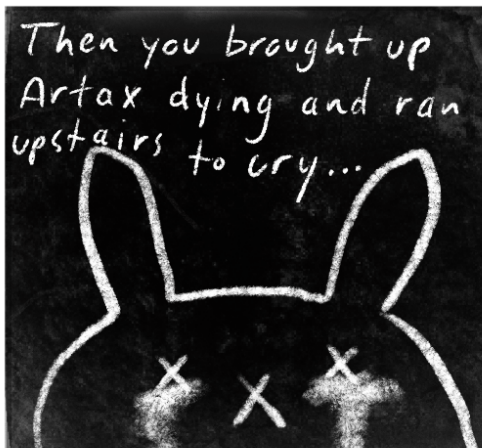

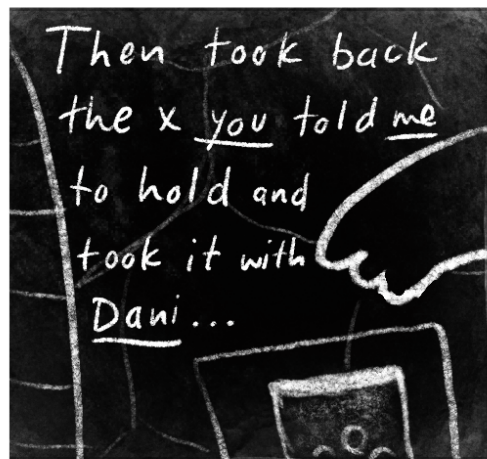

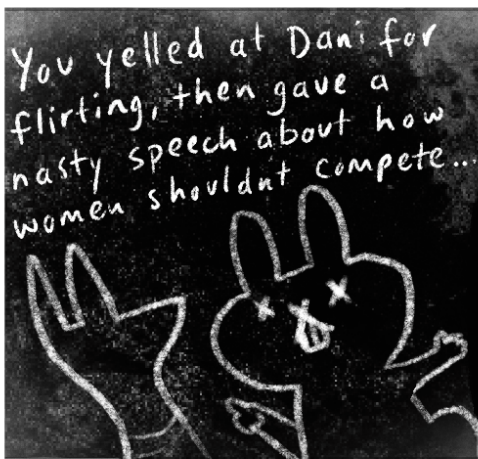

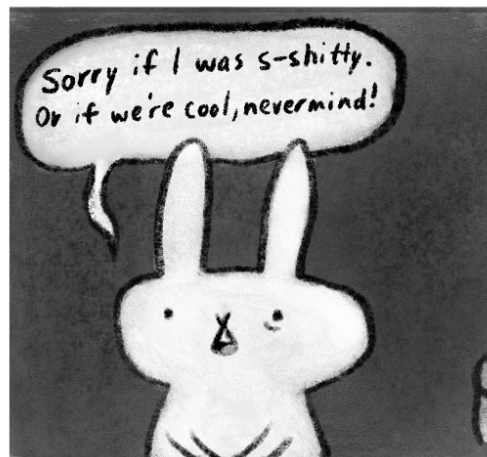

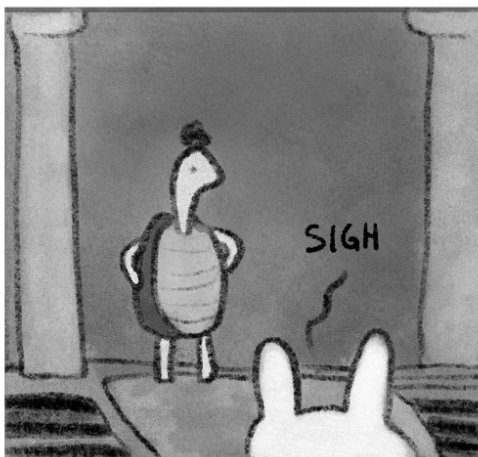

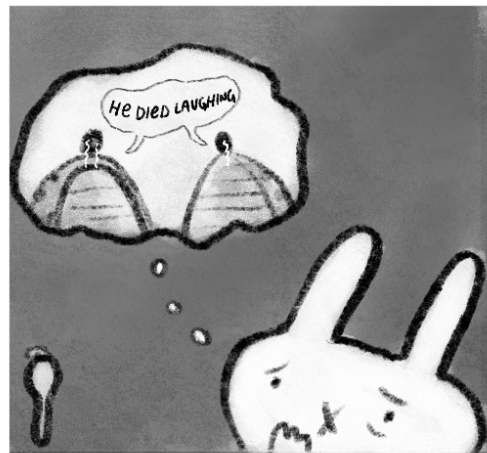

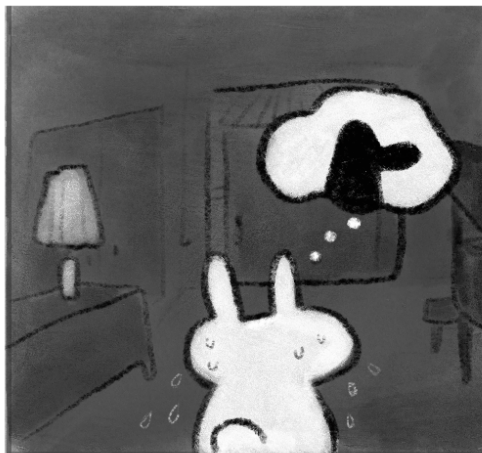

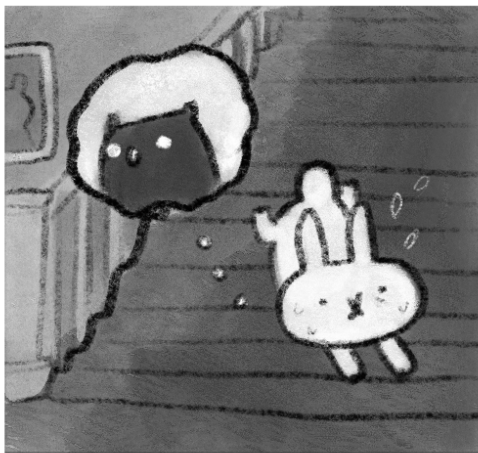

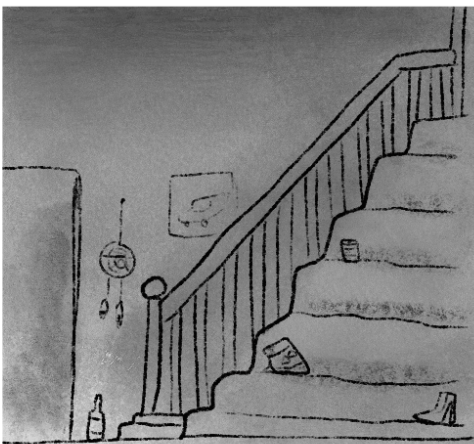

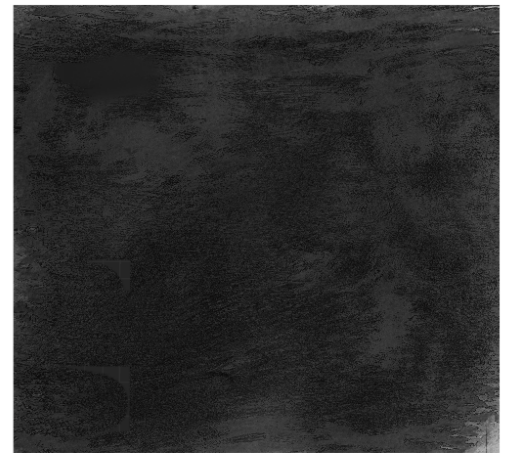

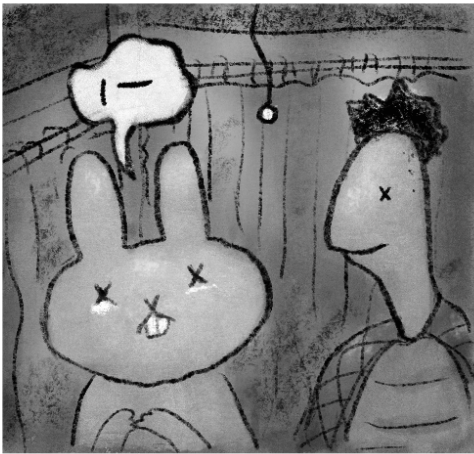

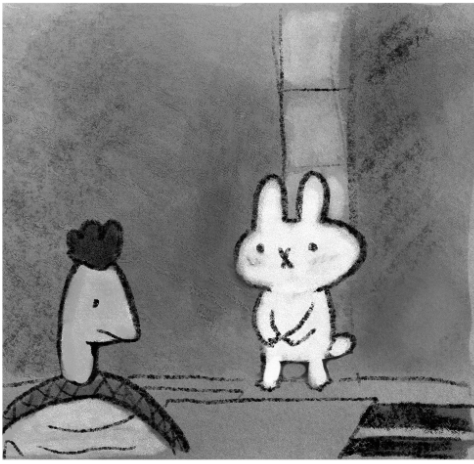

The End
